A DOMINATING FEATURE.

Great Livestock Show Predicted
For Coming State Fair.

INCREASE IN PREMIUMS.

Over \$20,000 in Awards Will Be Dis-
tributed Among Breeders of the
State—Many Improvements Made in
Cattle Department.

Livestock shows will be among the
dominating features of the Texas
State Fair, which opens at Dallas on
October 17, next, for sixteen full days.
The total prize awards in this depart-
ment amount to over \$20,000, a materi-
al increase over what has been offered
heretofore. The facilities in this
department have been enlarged and
many improvements made at the sug-
gestions of various breeders of the
state.

NEW STEEL GRAND STAND. STATE FAIR OF TEXAS.

At the Fair of 1907 there were 1791
animals on exhibition, not including
the 1,000 race horses stabled on the
grounds. Every indication is that this
year the number of cattle will exceed
that of last, which was a record break-
er in the South.

Beef breeds have been about equally
divided in number of head shown at
the Fair during the last few years.
The offerings for this class of cattle
are exceedingly liberal. In the Here-
ford class the association awards a
total of \$1220 in premiums, and the
American Hereford Cattle Breeders'
association \$300. The Shorthorn class
receives \$1220 and \$500 additional by
the American Shorthorn Breeders' as-
sociation. The Red Polled, another
breed, receives in premiums, \$1150
and \$250 additional from the Red Polled
Cattle club of America. Offerings in
the Polled Durham class amounts to
\$1165 and in the Aberdeen-Angus,
\$1110.

Dairy cattle always attract the at-
tention of every visitor, be they from
country or town. Dupont Lyons is the
superintendent of this department,
and predicts the greatest showing of
Jersey cattle in history. The offer-
ings in this class are over \$1200.

Texas is fast winning first place in
the Union for the number and high
class of the horses within the borders
of the state. Ever since the first meet-
ing of the Texas State Fair, when the
mustang was about the only horse a
Texan used, the association has offered
liberal prizes each year to im-
prove the Texas horse, thus adding
millions of dollars to the value of this
industry to the state.

This year over \$5,000 is of-
fered in the exhibit horse di-
vision and is divided as follows:
Draft and Coach horses: French \$160;

NEW MAIN ENTRANCE. STATE FAIR OF TEXAS.

German, \$210; Percheron, \$160; draft
horses, any breed, \$165. Carriage,
light harness, saddle horses and
ponies: Carriage and buggy horses,
\$115; thoroughbreds, \$150; roadsters,
\$100; standardized trotters and
pacers, \$60; Suffolk, \$155; saddle
and combination horses, including sweet-
stakes and special prizes offered by
the Texas Saddle Horse Breeders' as-
sociation and the American Saddle
Horse Breeders' association, \$220;
Shetland ponies, \$115; park horses,
\$120.

EXPOSITION BUILDING ENLARGED.

The exposition building is always
the Mecca of the women visitors to
the Texas State fair, and as far as that
is concerned, to the men as well. For
the twenty-third annual meet, Oct. 17
to Nov. 1, this great structure has
been remodeled and enlarged until it
covers now 2 3/4 acres of area. Here
will be found the liberal arts, the lat-
est in musical instruments, women's
wearing apparel imported from abroad,
a display of electrical utensils that
make housekeeping a pleasure, jew-
elry, etc. Every foot of space in this
building is taken. The business firms
of Dallas and of Texas are arranging
to spend several thousand dollars in
building new booths and adding further
to the beauty of the various exhibi-
its.

FARM AND MILL.

New Building For This Department at
State Fair.

With a building 84x275 feet in di-
mension, divided into ninety-seven
booths 16x25 feet, completed at a cost
of \$25,000, the farm, mill and horri-
cultural department of the Texas State
fair at Dallas this year has a fitting
home for the exhibition of the prod-
ucts of the soil of Texas. Built en-
tirely of cement stone, with the best
of lighting and ventilation facilities,
the building is ideal for the purposes
intended. It will be equipped with
the latest fixtures for exhibition pur-
poses, with rest rooms and lavatories.

W. H. Gaston, director, is himself
interested in agriculture, and there-
fore takes more than usual interest
in this department. He said: "Our
premiums this year have been lib-
erally increased and the list revised so
that it embraces every vegetable and
plant useful for the support of man
and beast. For the twenty-third an-
nual meet, Oct. 17 to Nov. 1, we of-
fer in the sweetpotatoes class \$25 as
first prize and \$10 as second for the
most complete individual exhibition of
corn, cotton, small grain and other farm
products from Texas. For the best farm
exhibit from any county or association
in Texas, we offer: First, \$100; sec-
ond, \$75; third, \$50; fourth, \$25. The
corn division, as usual, will be a fea-
ture of the fair, and receives a liberal
division of the cash awards.

"Taking into consideration the cor-
respondence and space arrangements,
in the department this year will be
the most complete collection of ag-
ricultural products the state has ever
offered. Each section of the state will
be represented from the coast coun-
try to the Panhandle, and from east
to west Texas. In fact this exhibit
will include every variety of grasses,
rice, sugar, corn, tobacco, fruits, veg-
etables, wheat, oats, etc., a collection
of the good things of life that no other
state can offer."

THOS. NORMAN, Attorney. 27-1wk

LET THE PEOPLE RULE.

There are no secrets in this Campaign. Strictly practi-
cing what he preaches, Mr. Bryan would not win victory with
tainted money paying the election expenses.

Not a dollar is to be accepted which requires any promise,
either express or implied, other than for HONEST, IMPAR-
TIAL GOVERNMENT.

Mr. Bryan will enter the White House Absolutely free from
entangling alliances; free to serve all classes of honest citizens
alike, or he will not enter at all.

Hence the course is plain. The campaign of Bryan and
Kern must be conducted by the people.

"The people must pay the necessary campaign expenses if
they want public servants who will serve their interests.

Special interests and favored classes, having secured
"SWOLLEN FORTUNES" by purchasing favors in the past
with MILLIONS CONTRIBUTED TO CONTROL ELECTIONS,
stand ready to give MILLIONS MORE FOR CONTINUED FA-
VORS. But that class never gives a dollar unless it buys a
pledge.

Mr. Bryan says, from March 4th, 1909, "LET THE PEOPLE
RULE."

This can come only if the people pay their own bills, and
control their own elections.

"BEWARE OF THE TRUSTS 'BEARING GIFTS.'"

That policy of the favored few buying a mortgage on the
Government meant that the Candidate for President knew a
few people only in an entire State.

Bryan says, "We will take the cause of PEOPLE'S RULE
home to the people and will know people in every county."

You can serve the grand cause of popular government.

Your paper reaches the President of the patriot who lives
his country for his country's GOOD; as distinguished from
the greedy possessor of swollen fortunes who loves his coun-
try only for his country's GOOD'S.

Please carry this letter in BOLD TYPE at the mast head
of your paper.

Asking every one who favors Government by the people
to pay you, at once, as many dollars as he can spare to aid the
Campaign for BRYAN, KERN AND PEOPLE'S RULE. You
forward these gifts of honest hearts and homes every two
weeks to the Treasurer of the Democratic National Committee,
with the name of each contributor and amounts given. The
Treasurer will forward you a certificate like the copy enclosed
for each one, asking you to deliver these certificates.

Once more, you should be a part of the Great Organization
bearing the Lamp of Light to every nook and corner of Free
America.

Our Country is for the People! Its Government must be
by the People.

Sincerely,

NORMAN E. MACK.

Chairman Democratic National Committee.

M. C. WETMORE,

Chairman Finance Committee.

C. N. HASKELL,

Treasurer
